

# Goldfire 7s

## Now with Missions!

Already proving popular with players, it now comes with Kalamba's Missions. Players will have fun collecting different symbols for loads of different prizes. You can choose between bronze and platinum missions for massive payouts of 1000x+ or even higher when promotions are running! Goldfire 7s is a classic style slot with an exciting respins feature and locking wild multipliers, which offers the player attractive and visibly huge potential wins.
